

People Element Referral Program

What is it?

We're excited to offer our clients a simple and rewarding way to refer other organizations that could benefit from working with People Element.

How to Make a Referral

Connect us with your contact via email introduction

Send a quick intro email to referrals@peopleelement.com connecting us with your referral. We'll take it from there!

Token of Gratitude

As a token of our appreciation, once your referral completes a discovery call with our team, you'll unlock a thank-you reward of your choice:

- ✓ **A gift card to treat yourself or your team**
- ✓ **A charitable donation to a nonprofit of your choice**
- ✓ **Free Manager 360 assessments for up to 5 leaders**

No pressure. Just appreciation.

We're grateful for your support — this is just a simple way to help others while unlocking something valuable for you and your team.
